AHSC SEMINAR SERIES 2022

New insights into understanding and treating obesity

Experts present their work on new insights into understanding and treating obesity.

Dr Tony Goldstone, Consultant Endocrinologist at Imperial College Healthcare NHS Trust and Senior Clinical Lecturer at Imperial College London, will discuss his work on hormonal control of appetite, the gut-brain axis and why obesity surgery works.

Dr Saira Hameed is a Consultant in Endocrinology and Diabetes at Imperial College Healthcare NHS Trust and Honorary Clinical Senior Lecturer at Imperial College London. She will talk about her work designing and trialling the novel and highly effective Imperial-SatPro weight management programme, which is described in her book, *The Full Diet*.
