AHSC SEMINAR SERIES 2022

AI for more effective cancer diagnosis

Experts present their work on using artificial intelligence for cancer diagnosis and answer your questions.

Professor Andrea Rockall is Clinical Chair of Radiology at Imperial College London and Honorary Consultant Radiologist at Imperial College Healthcare NHS Trust. She also undertakes research studies at The Royal Marsden Hospital. Dr Rockall will discuss her work on machine-learning applications in radiology.

Professor Manuel Salto-Tellez, Integrated Pathology Team Leader at The Institute of Cancer Research, will talk about his work to foster the use of artificial intelligence and digital pathology in cancer research and cancer diagnostics.

**Monday 12
December,
12.00-13.00**

Venue: Zoom webinar

All are welcome to attend.
